Burn Permit- is required through Frederick County Health Dept. at 301-600-1717.

Alert FC- is Frederick County Government's emergency notification system. Please visit the County website to sign up to directly receive Town and County notifications.

Spring into Safety- by remembering to place valuables out of sight and lock vehicles and homes to prevent theft.

## Capital Projects

Bullivant Park- discussion will commence in spring for what additional amenities may be envisioned on this roughly 100 acres of new recreational space. The park is currently accessible via the lane next to the Town Welcome sign for passive recreational use.

Deerwoods Trail- is in design for a trail along US Rt 40 to connect to the Young Nature Preserve Trail via bridge over Middle Creek to a new sidewalk on Deerwoods Place.

Doubs Meadow Park- "soccer side" trail and pavilion, which will loop around the large field and connect to a new pavilion to replace the small pavilion along the creek, plans are approved and moving to bid for construction in spring 2025.

Easterday Sewer Line- has received State grant fund award of bid for extension of sewer to several existing homes above the Town Water Plant. The project is scheduled for early spring.

Harp Alley- trees have been removed with site grading of affected area to be complete in early spring. Next phases will include improvements to the right of way access at Main St and conveying portion of the alley to the adjacent property owners.

Sidewalk Assessment- is being conducted for sidewalks and streets throughout the Town to determine all areas of necessary improvements and provide options for a comprehensive plan to address these needs and improve pedestrian safety and walkability for the community.

Young Nature Preserve Trail- construction is complete. This path extends across MD Rt. 17 at US Rt. 40 along Middle Creek near Deerwoods and into the "native fruit and nut forest" being established in the park.

## Refuse Collection

Yard Waste- runs weekly April through December. Includes brown biodegradable bags and bundle sticks max 3' height/3" diameter.
