Subject: FW: Cost for De-Annexation plat

Kristin,

Please see Tim's cost estimate below for the de-annexation survey plats.

Subject: RE: Cost for De-Annexation plat

Brandon,

Our cost to prepare two (2) De-Annexation Plats and descriptions would be **\$9,500.00**. This would include any necessary field work and compilation of plats of record and deeds to determine the area to be de-annexed. The areas to be de-annexed would be the dedicated rights of way along Canada Hill Road and Monument Road or if dedicated rights of way do not exist then we will rely on prescriptive rights of way to the edge of the existing roads.

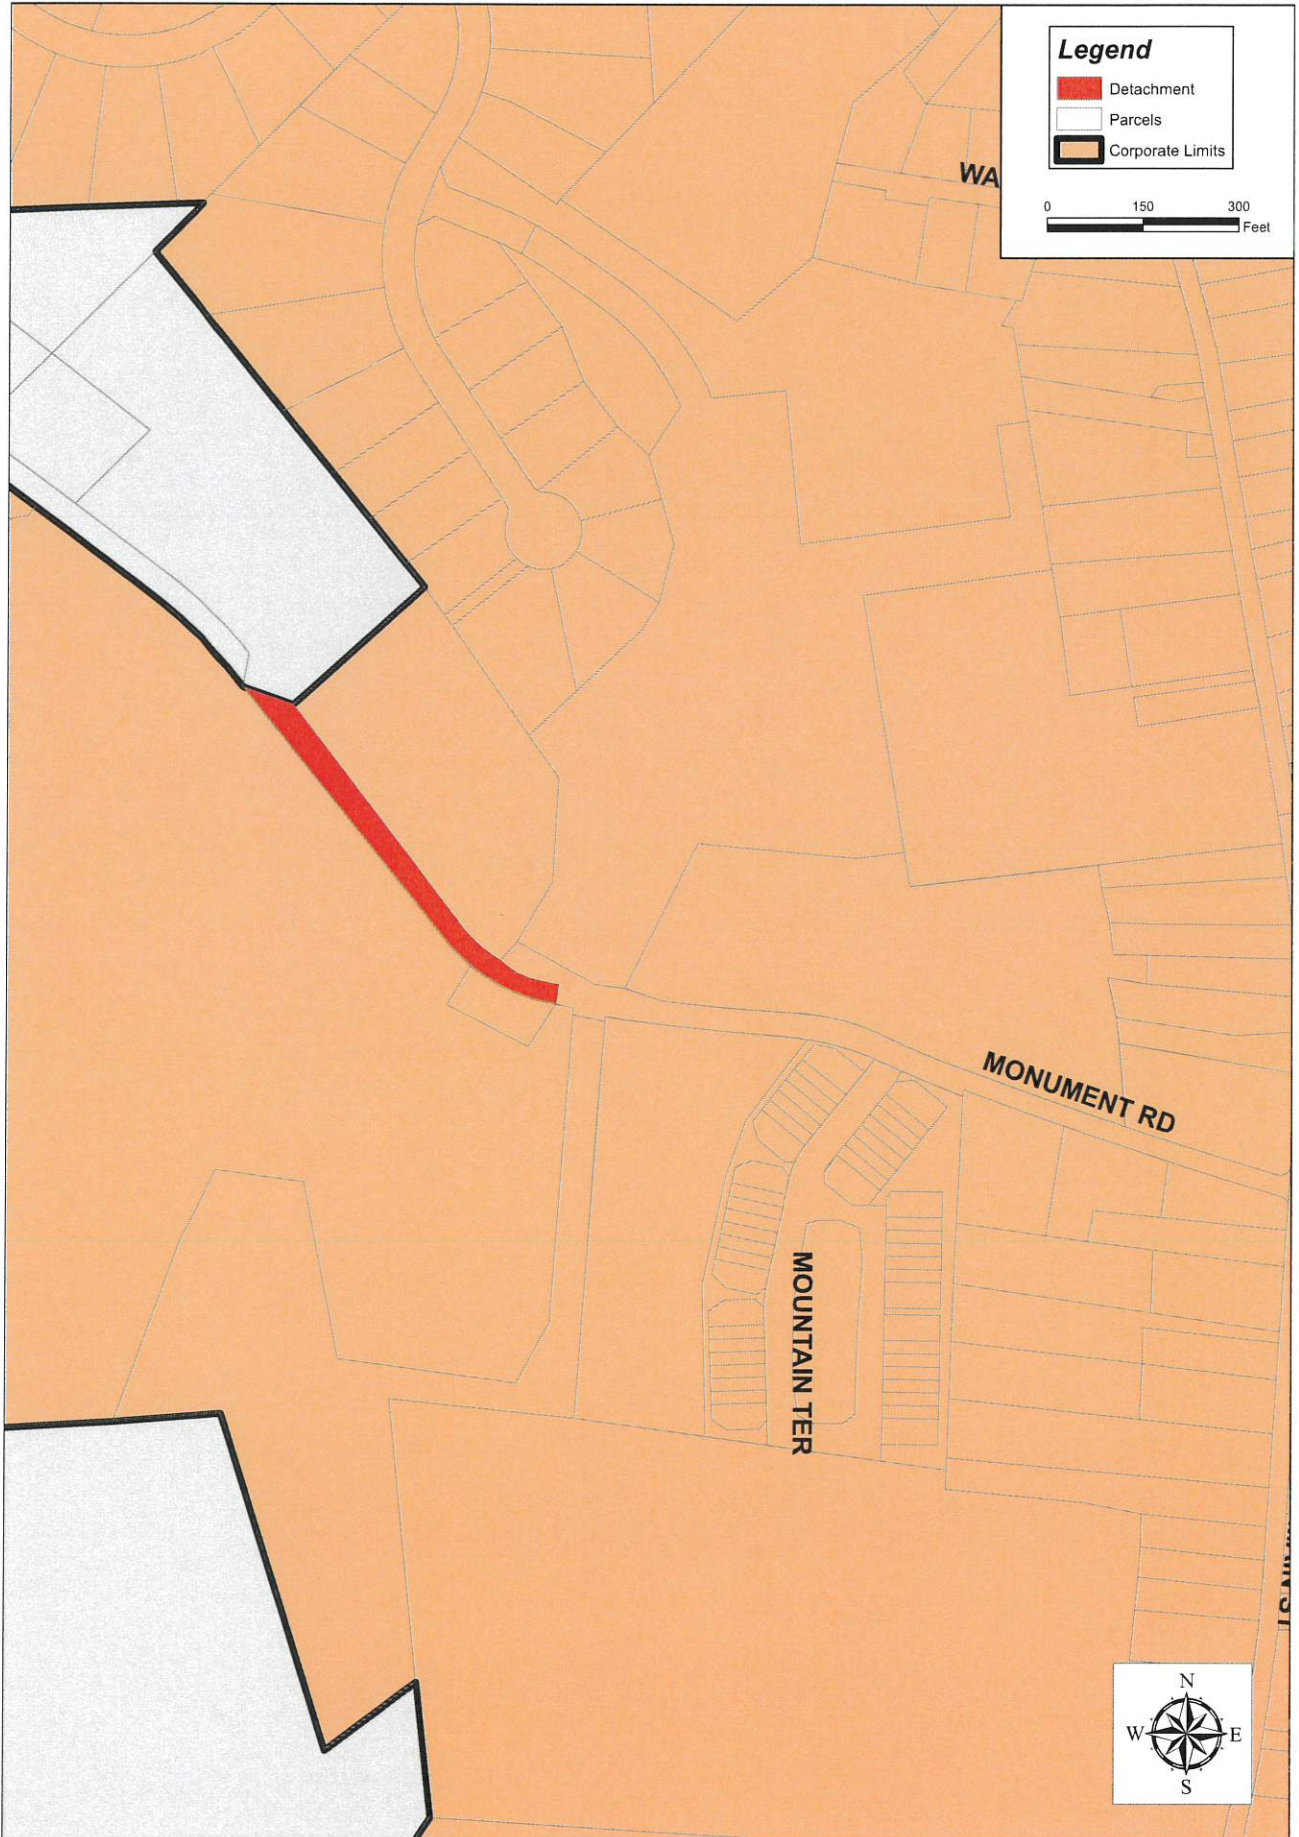

Let me know if you have any questions or need to discuss.

Thanks!
Tim
