Subject: Eagle Scout Project Inquiry

Hello,

My name is Jackson Brewer, and I am a Boy Scout in Troop 273 from Myersville. I would like to complete my Eagle Scout Project for this town. I was thinking of building a wooden "Little Free Library", a library where kids and adults can take a book and leave a book.

This would greatly benefit the community because it would allow people to get books and also share books they want other people to discover.

I would appreciate it if the town could provide some of the materials like plywood and the necessary screws and nails, while my troop and I could provide the tools, a blueprint of the structure, and our work to build the library.

This library would theoretically go on the opposite side of the town from the Myersville Library so they aren't too close, and people can get books from new places. I was thinking we could put it outside of Doubs Park or the Town Hall. Let me know if this plan is feasible and, if so, what are the next steps.

Sincerely,
Jackson Brewer
