Dear Mayor and Town Council:

This letter is a request for you to waive the fee to use the community room for Troop 37011's babysitting event on 2/16/24. The girls are doing this event to earn money so they can go on a trip as a troop. This experience will help them learn about the value of hard work and saving money. If the troop is able to save the money it would cost for the use of the room, they will achieve their earning goal quicker.

Thank you for considering.

Sincerely,

Jennie Leatherman
