Mayor & Council.

My name is Leah Thompson and I'd like to share my favorite memory of Valley Softball. We had our first travel game vs. Smithsburg and I made the first strike out. It was memorable because i had just learned how to pitch shortly before that game. That strikeout really wowed me. Another reason it was memorable was after the game people came up to me and said NICE JOB and GOOD WORK. When I received all those compliments I felt proud of myself. I received so many compliments that I forgot to take home my softball equipment and my water bottle. But the most important part of the day was when got a triple play. We all played great together.

Thank you Mayor and Council for supporting Valley Softball.

Leah Thompson
